A Nation Built on Liberty: Upholding the Constitution

Archived July 14

Dear Friend,

My oath of office is something I take very seriously. One of the guiding principles to follow in Congress is that our Constitution is our sacred charter with which we must adhere. I carry a copy of the Constitution with me at all times. I invite you to watch the following video on "[Defending Our Constitution.](#)"

Congressman Gosar's Weekly Column "The Constitution's Keepers"

I believe firmly that the U.S. Constitution is the greatest governing document in history. Yet it has always been known, that if it were just words on a page, it would amount to little. At the conclusion of the Constitutional Convention in 1787, one of our greatest founding fathers, Benjamin Franklin, was asked what kind of Government the Constitution gave us, "a Republic or a Monarchy?" "A Republic," Franklin replied, "If you can keep it."

How true Franklin's words were and how prophetic they have proven to be...

Congressman Gosar Votes to Repeal Obamacare: "This Tax Must Not Stand!"

This week I voted in favor of the Repeal of Obamacare Act (H.R. 6079), to cease President Obama's nationalization of American health care via what the U.S. Supreme Court determined to be a tax.

Click above to watch the Congressman Gosar's statement on repeal

Obamacare raises taxes by \$800 billion, defunds Medicare by over \$500 billion for faulty programs within the law, and damages the patient-doctor relationship. I was proud to cast my vote to again repeal Obamacare. This law must go!

The American people have said loud and clear, time and time again, that they do not support Obama's disastrous healthcare takeover and burdensome tax increase. [Please click here to read](#)

Subcommittee Hearing: "Impact of Obamacare on Doctors and Patients"

On Tuesday, I took part in an Oversight and Government Reform Health Subcommittee hearing entitled, "Impact of Obamacare on Doctors and Patients."

Testimony from medical experts from across the country, including Arizona, proved invaluable to the importance of patient centered reform.
