CONGRESSMAN
PAUL GOSAR
REPRESENTING THE 4TH DISTRICT OF ARIZONA

KEEP LAKE HAVASU OPEN FOR ALL USERS

Your help is greatly needed to stop [arbitrary boating restrictions proposed by the U.S. Fish and Wildlife Service](#) on large portions of Lake Havasu.

Government agencies like the Fish and Wildlife Service have continued to enact job-killing and unlawful regulations that cause severe harm to countless communities throughout the country.

My investigation into the latest proposed boating restrictions uncovered that they are **not based on science or safety**, but rather they are a backdoor attempt to limit recreational boating activities on the lake.

If we do not stand together and fight this continued abuse of bureaucratic power, **unelected and unaccountable government officials will continue to take more control of our lives.**

The economic livelihood of Lake Havasu City depends on the accessibility of the lake for all users. Numerous organizations and individuals have joined me in raised serious concerns and requested a 60-day extension of the comment period including:

Lake Havasu City Mayor Mark Nexsen
Arizona Game and Fish Department
Lake Havasu Area Chamber of Commerce

Lake Havasu Marine Association
Mohave County Board of Supervisors
21 Bipartisan Members of Congress

The Fish and Wildlife Service is currently taking public comments on the draft recreational boating compatibility determination which aims to close significant portions of Lake Havasu to motorized boating activities.

Send in your comments and help keep Lake Havasu open for all users!

Email your comments to: Havasu_Boating_Comments@fws.gov.

Written comments may also be sent to:

U.S. Fish and Wildlife Service
Havasu National Wildlife Refuge
Attn: Draft Recreational Boating CD
317 Mesquite Avenue
Needles, CA 92363

Get your comments in and oppose this flawed proposal that aims to close down more areas on Lake Havasu to recreational boating activities that include tubing, water-skiing, wakeboarding and fishing.

 Sincerely,

Paul A. Gosar, D.D.S.
Member of Congress
