

Happy Thanksgiving

Dear Friend,

Thanksgiving is a time for family and a time to think about what we're thankful for.

I hope we take a moment this week to remember those who fought to protect us, those who never returned, and the families who have an empty seat at their table this Thanksgiving.

Coming from a family with 10 kids of mixed political views, I understand that we may disagree from time to time - we may even strongly disagree - but that's what's great about this country: even with our differences we can agree that we live in a great nation with much to be thankful for.

So let's get serious about protecting our Republic and its Constitution, and preserve this great country for future generations.

As always, you can follow everything I am working on in Arizona and Washington, D.C. through my website (<http://gosar.house.gov>) on Twitter [@repgosar](#), or through [Facebook](#) at Representative Paul Gosar.

Sincerely,

Paul A. Gosar, D.D.S.
Member of Congress
