Dear Friend,

As we approach the holidays and round out the year, I am reminded to give thanks for the great community I serve.

I want to thank each of you for all you do to make our community such a great place to live, work and enjoy.

Last week, I gave my first commencement speech at Embry-Riddle Aeronautical University. I told the graduates that a great person strengthens the community they make their home. It is incumbent upon every individual to get involved in the world around them and make an impact. Click [HERE](#) to read my speech.

As we approach the new year, that is my challenge to you - to be great, to strengthen your community. As busy as you may find yourself, please remember that a great person makes it a priority to give back with their time, their talents and their resources.

Merry Christmas and Happy New Year from my family to yours.

Sincerely,

Paul A. Gosar, D.D.S.
Member of Congress
