

Special Update: Getting Things Done

Dear Friend,

I tend to be a workhorse, not a show pony. I am proud to report that I am considered one of the most effective new members of Congress.

Recently, the [Arizona Republic](#) investigated my voting record and concluded:

"Bottom line: When it comes to sponsored bills and amendments passed by the House of Representatives, Gosar has been among the most successful new members not only in Arizona's delegation but also in the entire freshman class."

There is more to do. I remain committed to being open, accessible, and responsive to my constituents and the issues of our great state. Whether it is at a town hall meeting, on the phone, via email, or out in the district, I encourage everyone to share their ideas on how we can find solutions to the problems that face our country.

As always, you can follow everything I am working on in Arizona and Washington, D.C. through my website (<http://gosar.house.gov>) on Twitter [@repgosar](#), or through [Facebook](#) at Representative Paul Gosar.
