CONSERVATIVE IN THE SPOTLIGHT:

"The **American Conservative Union** (ACU) has named its inaugural "Conservative in the Spotlight," a distinction awarded when an elected official acts boldly to defend conservative principles.

"Congressman Paul Gosar (R-AZ-04, 2015 ACU Score: 96%), has been a thorn in the side of the Environmental Protection Agency (EPA) and is an all-around government watchdog on important conservative issues.

"Congressman Gosar fights relentlessly against the unlawful EPA and for limiting the growth of government,' said ACU Chairman Matt Schlapp. 'We are proud of Congressman Gosar's leadership and how he identifies misconduct, pushes back against it, and defends Americans from government overreach.'"

THE WEEK IN PICTURES

I was honored to spend this past Memorial Day weekend meeting with veterans and other local leaders to honor our service men and women who died in combat. It was inspiring to speak with folks in Prescott as well as Prescott Valley who joined me in remembering our nation's greatest heroes.

Meeting with Billie Orr and Ken Bennett at the Citizens Cemetery in Prescott.

I'm so grateful for the opportunity to speak at the second annual Honor and Remember event in Prescott Valley. It was a privilege to meet with Gold Star Mothers who were recognized for the sacrifices made by their sons and daughters.

Addressing the crowd at the Memorial Day Observance in Prescott.

Meeting with members of the American Legion Color Guard before speaking in Prescott.

Visiting the grave site of Medal of Honor recipient, Nichols Foran, at the Prescott National Cemetery.

Before the Memorial Day festivities, I grabbed breakfast with Prescott Councilman Jim Lamerson and met with local law enforcement in Prescott.

Visiting with some community members at Double K Shooting Sports in Dewey including the two owners of the store Kevin and Ken.

Had a great meeting with the Quartzsite Chamber of Commerce to check out the big map of the Arizona Peace Trail and other trails. They had 3,000 winter visitors here this past year.

Meeting with some good folks at the Quartzsite Senior Center this past Thursday.

Great turnout for another Coffee with the Congressman in Quartzsite. Lots of discussion about public land management, veteran issues and the Antiquities Act.

Pictured center-right is Judy Howerton who I was honored to help acquire medals & awards for her deceased father Jack O. Parks that he earned from the Navy during both WWII & the Korean War.

Met with Buckskin Fire Chief Chris Chambers who took me out on the Colorado River and discussed boating safety and weekend tourism safety.

We also toured one of the more popular spots to boat in Parker: the Parker Dam.

...and they were crazy enough to let me drive!

As always, you can follow everything I am working on in Arizona and Washington, D.C. through my website (<http://gosar.house.gov>) on Twitter @RepGosar, through Facebook at Rep. Paul Gosar or on Instagram at RepGosar.
