The Honorable Paul Gosar
US House of Representatives
Washington, DC 20515

Via email: Jeremy.Harrell@mail.house.gov

Dear Dr. Gosar:

As we discussed when I met with you in Washington last week, I am strongly in support of your efforts to enact federal legislation approving the land swap necessary to allow Resolution Copper to open the copper mine in southeast Arizona. Reviving this mine operation will create much needed, good paying jobs in our region.

I support H.R. 687 and commit to work with you and your colleagues to move this legislation successfully through the federal process.

Thank you for your leadership on this issue. I look forward to continuing to work with you to ensure that copper mining will begin in southeast Arizona once again.

Sincerely,

Tommie C. Martin
Gila County Supervisor
